Photographic Society of America & Southern California Council of Camera Clubs

June, 2005

Redlands Camera Club is a group of amateur, serious-amateur, and professional photographers who are interested in sharing experiences and advancing their skills. Anyone with similar interests is encouraged to attend a meeting; no cost or obligation. We meet at 7:00 pm on the first and third Mondays of every month at **Redlands United Church of Christ**, 168 Bellevue Avenue, Redlands, CA.

HOT STUFF!

Our *Photo Scavenger Hunt* on Saturday, May 21 in Palm Desert was an almost impossible challenge. Breakfast at Coco's with Frank, Dennis, Kish, Venus, John, Char, Ron & Alice, and Shirley went well; but by the time we got to the *Living Desert*, the temperature had climbed to 99 degrees by 9:00 AM!

By 11:30 it was a very uncomfortable 112 degrees! May seems too hot for this type of field trip, but everyone was a trooper and did the best they could. We were literally "done" by noon.

I don't believe that anyone got through the list of 15 items to shoot, so I suggest that in addition to the Scavenger Hunt images, all members bring four of their favorite Zoo images from any locale to the next meeting. We'll simply have a "ZOO NITE".

My thanks go out to all of those who dared to be good sports and brave the heat at the zoo.

Shirley

THE PREZ SEZ...

Shirley Loflin

Well, there is no easy way to give you the news. Brian and I are moving back to Austin, Texas at the end of June.

We felt this might happen later in the year, but the sale of our home went very quickly, and Brian has a new and very exciting job opportunity that just won't wait. As you may know, all of our family, including two children and 10 grandchildren, is there.

Being a part of the *Redlands Camera Club* has truly been the highlight of our two and a half year stay in California. It has been an honor to be affiliated with such a successful and prestigious club. We feel that the club is moving forward with great momentum into the "digital future" and will continually improve its equipment and resources as needed.

Your executive board will now be led by the most capable Frank Peele, Vice President. I hope that you will step up to the plate when asked for your help. Our club has a tremendous amount of talent; many members are especially gifted. Part of being a club member is about sharing what you know, having fun, and learning.

We are positive that the club will continue to expand its activities, its benefits, and therefore, its membership. We look forward to checking into the website to see what RCC is doing.

 You can check on our Austin club by clicking www.austinishutterbugclub.com.

We will really miss all of you. Keep up the good work.

Your friends,
Shirley and Brian

UPCOMING PROGRAMS

Brian Loflin

JUNE 6TH PROGRAM

Scavenger Hunt Review; Brian Loflin

We had a **hot time** at our Scavenger Hunt! Too hot, in fact, to complete the hunt. So bring any images you have from any zoo, and let's make it a ZOO NIGHT.

Please refer to the "Configuring Images" box for minimum display requirements.

JUNE 20TH PROGRAM

To Be Announced

JULY 4TH PROGRAM

To Be Announced

JULY 18TH PROGRAM

To Be Announced

NEW MEMBER PROFILES

Judith Sparhawk

JENNIFER CHRISTENSEN

Jennifer Christensen is a recent member of RCC. She has been interested in photography since the 7th grade, and has taken some photo classes for years. She continues to work with film only, and uses Nikon equipment. She enjoys taking family photos, as well as animals, flowers and landscapes. Jennifer currently works as an appointment clerk for Beaver Medical Group and lives in Redlands. Welcome, Jennifer!

RICK SIMMONS

Welcome also to new member, Rick Simmons. He lives in Yucaipa, and works as an independent insurance claims adjuster. He indicates doing a lot of photography when he was younger, but having let it slide with everyday life of work and family. More recently, with the advent of digital, he has a renewed interest in the field. He will soon be purchasing a Canon 20D, with which he plans to photograph nature subjects, to learn more about photographing people, and to explore sports and action subjects.

RUSSELL TROZERA

Russell Trozera recently joined RCC as well. He lives in Victorville and works as a Real Estate Broker. He took photography classes in college, mostly black and white work. He is now broadening his horizons with digital, using a Nikon D70. He realizes he has a lot to learn, and considers himself to be an amateur. He likes all types of photography, including landscapes and nature. He is interested in expanding into portrait work as well.

KATHY MCGRAW

Kathy McGraw is a brand new member, even volunteering her services on the night she joined! She uses both film and digital, having a Canon AE1 and a Pentax camera. She has taken classes and even studied with some people in Europe. She especially enjoys shooting people, candid shots, and events. She likes landscapes as well. Kathy lives in Banning, works as a Realtor, and proudly boasts 7 grandkids.

JOE GAGNON

Joe Gagnon joined RCC at the last meeting. He recalls his very first photograph, taken as a child, which was of a marathon race in his hometown. He has had much experience since then, having been an Army Air Corps photographer during WWII, which included documenting air accidents and war crimes. After the military he pursued photography in school. He is retired now, starting all over in digital, and hoping RCC will assist him in the transition. He continues to be interested in documentary photography, but likes all subjects, including still life.

EXHIBITS

John McCormack and Bob Forsythe

Important Change!

To ensure that everyone has a chance to display their work, members are encouraged to remove prints at the conclusion of an exhibit.

Therefore, any members whose prints remain on display will be billed \$3.00 for each additional exhibit period.

Photographers who wish to exhibit should e-mail John McCormack or me one week prior to the scheduled take-in time for the prints. Please include your name, the title of the work and price, if for sale.

You may also include your e-mail address and phone number so that anyone interested in purchasing your work may contact you.

THE S4C REPORT

Larry Cowles

The **Southern California Council of Camera Clubs (S4C)** provides many services to member clubs in Southern California. One of the main functions is to provide a forum for competition, not only for individuals, but between member clubs. Currently there are nineteen member clubs.

S4C meets monthly, October thru April, at the Rosemead Community Center, 3936 Muscatel St. in Rosemead. Meetings start at 9 AM and can last till 3 PM, depending on the number of competitors entering. You can get more information on the dates and sequence of competitions from the S4C Newsletter or the website: www.S4C-Photo.org.

S4C has competitions in the following slide categories: Individual Color, Nature Open and Wildlife, Photo Travel and Photojournalism. S4C has just recently started an Individual Color Electronic Projection competition. There is also a competition for Color and B&W prints divided up into Small prints and Large prints. S4C also has an Inter-club competition which is between individual clubs. Within each section, there are Skill Classes B, A, and sometimes Higher.

Next month's article will describe how to enter and provide more information on each section.

RCC Bulletin Board

On a space-available basis, Notices, Requests and For Sale ads may be posted by any member. 300 dpi JPEG pictures may be included. All postings must be photography-related and include your name and contact information. See *Photogram Submissions* box for deadline and submission information.

Mark your calendars!
