

PHOTOGRAM

Established in 1896

Redlands Camera Club is a group of amateur, serious-amateur, and professional photographers who are interested in sharing experiences and advancing their skills. Anyone with similar interests is encouraged to attend a meeting; no cost or obligation. We meet at 7:00 pm on the first and third Mondays of every month at **Redlands United Church of Christ**, 168 Bellevue Avenue, Redlands, CA.

July, 2007

Annual Picnic/Potluck

This year, our annual picnic (only for members and their guests) will be held at the church. As usual, it will be a potluck. We are looking for volunteers to bring and use their Bar-B-Ques on the lawn outside. Please contact Cindy Morley or Susan Roberts if you can help (see page 2 for contact info).

JULY 2ND

Landscape Photography – The Southwest and Beyond: Laurent Martres

Our first program in July will be presented by Laurent Martres, an outstanding landscape photographer.

In the last few years, Laurent has become extremely successful in his photo business, participating in many shows, printing his own photographs, and selling his photo guidebooks of the American Southwest. He now makes his entire living with his photography.

He will show his beautiful images of the Southwest and beyond, and discuss his experiences in building his successful business. Don't even think of missing this great evening!

In addition, the results of the Print Competition will be announced at this meeting, with presentation of ribbon awards and viewing of the winning images.

JULY 16TH

Annual Summer Potluck: members and their guests only

This year the summer potluck will be held at our usual meeting place, using the outdoor patio and grassy areas for good food and frivolity.

Come for a fun and festive time!

None needed: Summer Potluck

Please arrive at 6:45 to help set up and stay after a few minutes to clean up. The average attendance has been around 50-60 people. Finger food such as cookies, chips, vegetables, and fruit are the easiest to handle. The club provides all paper goods, coffee, and tea.

If you cannot attend, please contact **Cindy Morley** at (951) 845-2950, cmorley@sedtoo.com or **Susan Roberts** at (951) 212-9869, SRoberts@sedtoo.com.

Thanks for all your support!

Crystal Craig has a few more classes to complete to earn a certificate in photography at Riverside Community College. In June she earned a certificate as a TV production specialist. Photography interests include landscapes and nostalgia. She also wants to do freelance, including movie stills and digital editing. Crystal uses a Canon 30D; her first camera was a Canon AE1. She recently earned a bachelor's degree in political science and administrative studies and UC Riverside.

Bob Best and **Martha Knowlton** have just celebrated their third wedding anniversary. Together they have taken some of **Frank Peele's** classes. They use a digital Canon Rebel and shoot photos of their family, friends, and scenery and wish to learn more about photography. **Bob** worked for the U.S. Dept of Agriculture and is a retired citrus farmer. **Martha** enjoys making greeting cards with Photoshop. She is a control manager for a medical management company.

Donald Haggert first became interested in photography between 1957 – 1960 while a Private in the U.S. Army stationed in Alaska. After 26 years in the military, he retired as a CSM in an aviation battalion while in Colorado. He lived many years in Colorado and New Mexico, shooting macro photography – mostly insects. **Don** says there are great insects in Colorado and New Mexico, but not here in California! Lately he shoots wildlife. He enjoys the L.A. County Arboretum, going there twice monthly. **Don** uses a Nikon D2XS and has purchased lots of accessories along the way.

Alexandra Mathews has been interested in photography since her childhood when her dad was using a Kodak accordion-style camera in the 1950's. Her first camera was a gift from her dad. **Alexandra** took classes in photography while in college, using a 35mm film camera. She got away from photography for a while, but now is shooting photos with a Kodak Easy Share, preferring nature shots. She has been a librarian at the County of San Bernardino since the early 80's. In addition to photography, she enjoys cats, literature, and the arts.

Les Tenney is retired and has returned to school studying photography at Cal State San Bernardino. He enjoys darkroom work, developing and printing his own film. He uses a large format 4 X 5 and a digital Nikon D40, printing 8 X 10's from his home printer. **Les** also draws – mainly still-life.

John Terry learned about RCC during one of **Frank Peele's** classes. He has enjoyed photography for many years, but became much more involved in the past year. He enjoys landscape and wildlife and uses a Canon Rebel XTI. **John** and his wife are commercial insurance brokers.

Ralph Ybarra first attended RCC at the annual print competition meeting in June. He was impressed and inspired with the photos shown there. He is most interested in landscape and nature, and wants to travel to photograph such. **Ralph** uses a Nikon D70S, but says he is ready to upgrade. He recently quit work as a photographer at Riverside City College. During his time there, **Ralph** would carry two cameras with different lenses to avoid getting dust in the cameras during lens changes. **Ralph** is married with four children and six grandchildren, and is a retired fire dept captain (29 years).

SLIM PICK'NS

Once again our exhibits interest is starting to dwindle down to nothing. The last couple of shows have had a very poor turn out. Members are coming to pick up their work, which is wonderful, **THANK YOU**. But nobody is bringing new work for the walls.

I have been keeping the old pictures up but rearranging them, in hopes that the wall will at least **look** fresh when it's not. We need to nip this in the bud for fear of losing our exhibit space.

Last year we were in grave danger at the hospital and they pretty much asked us to leave if we couldn't supply them with a decent display. We DON'T want that to happen again. Please members, we started the year out so strong in our exhibits, lets not let them fall into the toilet now.

The next take in: **Redlands Community Hospital- Saturday, July 14, from 10am-12noon**

Don't make me sit there by myself. Bring in your work. It's not just about the walls; it makes our CLUB look good also. Thank you.

Member Exhibit Rules

The work must be yours, a member of RCC.

It must be ready to hang using wire eyes & wire; no saw tooth hangers.

You may use a frameless presentation, but it must be glazed (glass over the picture).

Your name, title of the picture, and sale price (if for sale) must be on the back.

There is a \$3.00 fee for each work hung: cash or check.

Work left for another hanging will be charged again.

Work not retrieved after a new hanging will be charged a \$3.00 storage fee.

HELP

I'm looking for an 8mm and/or a "Super 8mm" projector (I don't know the difference) for old film.

I need to **borrow, rent, or buy** the projector for a family project that my sister and I are working on.

If you can help (and I really hope someone can) please call me at 909-793-3099

Thanks, *Allison Hiebert*
