Annual Print Competition this month!

Our annual Print Competition will be held during our June 18th meeting. Visitors are welcome.

Rules are posted on the website and entry forms and labels will be provided at the Jun 4th meeting and the night of the competition.

Turn-in will begin at 6:15 (hopefully, we'll get the doors open by 6:00 to begin preparations).

You must be in the entry submittal line prior to 6:50 p.m. for your entries to be accepted.

Bruce Bonnett: Competition Chairperson

COMING ATTRACTIONS

THROUGH THE PRESIDENT'S LENS

Kish Doyle

Another month has flown by and we are almost halfway through the year. It seems like times goes by faster every year. Our print competition will be here before we know it, so everyone start gathering your best prints and get them ready.

Congratulations go out to Wayne Wood on his submission to *PC Photo* magazine. In the June 2007 issue on the last page is a gorgeous shot of a lighthouse on Catalina Island that Woody did "a little work" on. The finished product really creates a mood.

For all Board members and committee chairs, please mark your calendars for the Board meeting on Wednesday May 30.

Happy snapping,

Kish

EDITOR'S NOTE

From June 13th through July 1st, I will be off-line (in Alaska). Therefore, the July issue of the *Photogram* will be late – probably between the 3rd and the 8th.

Contributors, please submit at the normal times so the content will be available for immediate assembly. Thank you, in advance, for your patience.

JUNE 4TH

*Under The Waves – Art & Challenges of Underwater Photography:
Redlands Underwater Photography Club*

We are very fortunate to have the *Redlands Underwater Photography Club* provide an exciting program regarding their recent travels and underwater photo work. This club was organized in 1997, by a group of scuba divers who were interested in adding photography to their diving experiences. The club's members have had the opportunity to travel to world-class dive sites—the Southern California coast, the Caribbean, Mexico, the Red Sea, Galapagos Islands, Hawaii, Micronesia, Papua New Guinea, Fiji, and Indonesia.

While diving at these locations, the diversity of sea life has provided incredible photographic opportunities. Club members use a variety of film and digital equipment to capture images of these beautiful, unique, mysterious, and sometimes strange plants, animals, and wrecks. However, these photographic opportunities often come with many challenges in this underwater environment.

In addition to an overview of photographic equipment, techniques, and challenges associated with underwater photography, there will be a presentation of slides and digital images taken by Nancy Best, Christie & Lyle Hammond, Toni Hulbert, Quintin Lake, Marjie Munson, Jean & Tim Timmerman, and Bill Sperling.

JUNE 18TH

Annual Print Competition: Bruce Bonnett

Our second meeting in June will be our annual print competition, with up to four images submitted by all members in good standing. Information regarding the competition rules is available on the website, and at the next meeting on June 4th.

JULY 2ND

Landscape Photography – The Southwest and Beyond: Laurent Martres

Our first program in July will be presented by Laurent Martres, an outstanding landscape photographer. In the last few years, Laurent has become extremely successful in his photo business, participating in many shows, printing his own photographs, and selling his photo guidebooks of the American Southwest.

He will show his beautiful images of the Southwest and beyond, and discuss his experiences in building his successful business.

Don't even think of missing this great evening!

NEW MEMBERS

Carol Jensen

Mark Averett has been doing some photography since his retirement from the CHP, preferring to do portraits and landscapes with his Canon.

For the last three years **Mark**, has been a personal trainer, and has set up a nice gym in his home for this pursuit. Mark is married, has two grown children, a nine year old son at home, and two grandchildren.

Patty Ann Baron works with black and white film and loves working in the darkroom. At this time she is looking for a darkroom in this area in which to do some work. She enjoys expressing her creativity through photography, and has been enjoying this since high school. She particularly likes working with angles and composition.

Patty is a registered dietician and a full-time student, working on completion of a masters degree in public health nutrition at Loma Linda this Fall. She works for Redlands High School as a nutritionist for the football team. Another one of her interests is exercise science – kinesiology – and would like to find work in this area. Patty enjoys Redlands and is hoping to find a place to rent here.

Dave Cochran learned about RCC on-line. In the past, he has done some year book photography and wedding photos for friends. **Dave** uses a Canon 30D and works with several different lenses, preferring to shoot candid and nature. He confesses he knows nothing about photoshop, but wants to learn.

Dave is a retired fireman, is married with three grown kids and nine grandkids. He is a chaplain at UCI Medical Center .

FIELD TRIPS

Rick Strobaugh

We visited the San Diego Wild Animal Park on Saturday, May 19 and had very good weather. The Lion Camp had the male, female, and two cubs out posing for photos, and we photographed the trainer feeding the three adult cheetahs in their display area. The layout makes it look like you could just walk up to them and they are very close. We were literally within inches of the lions and no cages or bars to interfere with pictures.

For June, I would like to get out to the **Living Desert** outside Palm Springs. This may be our last chance before it gets too hot. Check the RCC web site for date, time and more information.

I will post the specifics of upcoming fieldtrips on the web site in the future. It takes up too much space in the Photogram to cover all the details.

If you have anywhere you want to explore as a fieldtrip, please let me know. If there are others interested, I will arrange a trip.
