October 18 – **Photographing Redlands' Historic Architecture** - *Frank Peele*

November 1 – **Photo Scavenger Hunt** - *Jim Bridges*

November 15 – **Holograms**

December 6 – **Member's Night: Redlands' Historic Architecture** - *Frank Peele*

December 20 – **Members' Night: Winter and the Holidays**
Bring goodies to share!

Redlands Camera Club meets the first and third Monday of every month at 7:00 PM
Redlands United Church of Christ, 168 Bellevue Avenue, Redlands, CA
Established in 1896 - Member of the Photographic Society of America

Scavenger Hunt

At the November 1st meeting, we'll be showing the results of our members' finds for this year's photographic scavenger hunt. Here are the subjects to look for:

Shadows
Diagonals
Circles
Squares
Flags
Transportation
Windows
People

We prefer photos taken since January 1,

1999. They may cover several subjects, or may all be of a single subject. A maximum of ten slides, prints, or a combination of both may be shown per member.

Want to Join Us?

We always welcome visitors, and if you would like to become a member, dues are \$20 per year. Spouses may join for an additional \$5 per year. For more information, here's who to call (or just show up at a meeting!):

Jim Bridges (Secretary) – **792-7696**

Frank Peele (President) – **793-4104**

On the President's Mind

Franklin D. Peele

With sadness I report the passing of **Howie Stevens'** wife **Louise**. She died peacefully in her sleep at five p.m. on Thursday, Sep. 16. We extend our deepest condolences to Howie, their son **Norman**, and Louise's sister **Janet**, who traveled from her home in Yucca Valley nearly every other day the past few weeks to be with Louise and Howie. A memorial service will be held at 2 p.m. on Saturday, Sep. 25, at Emmerson-Bartlett Mortuary, Brookside at Center, in Redlands. A reception will follow at the First Presbyterian Church, Cajon St. at Vine. Please continue to lift up Howie and the family in your prayers.

You'll notice that we have a new **Photogram** editor with this issue. After producing great newsletters for the past 17 months, **Dave Moore** has had to retire due to more urgent constraints on his time. I know I speak for the entire club in congratulating Dave for the wonderful issues he created, and in looking forward to his continued participation in club activities. **Don Christopherson** has agreed to step in and keep the fine **Photogram** tradition going, and I applaud his willingness to take on this important task for the club. Don will be looking for support from all of us, so now's your chance to shine if you've had an idea you want to write up for the newsletter.

We tried a new style of meeting on Labor Day, and it was a big success. For several years we've gone dark on that holiday Monday, but this year we met to have a "bull session" or round table discussion. Several members brought slides, larger transparencies, or prints to show. After enjoying these we opened the floor to any photographic subject, and the discussion was pretty lively. Thanks to all the members (and 3 guests!) who came to make this experiment a winner. I do wonder, though, if calling it something besides a "bull session" might have

brought out more of our wonderful women members to participate...

Alan Levine recently suffered a mild heart attack. After 5 days in hospital, he is recovering nicely at home and looks forward to hearing from club members. **Nancy Yowell's** mother, 95, has also been hospitalized with heart challenges, but has returned to her home. We wish each of them the best of recoveries.

I hope you're planning to enter the club's next Redlands Community Hospital exhibit, which goes up on Oct. 9. This is an excellent opportunity to have your prints seen by many who go to the hospital, whether to work, visit, or be treated. It's one of the ways the club and its members have high visibility in the community, so you won't want to be left out!

Remember the Scavenger Hunt Members' Night coming up. Now's the time to be out shooting your personal interpretations of the subjects listed elsewhere in this issue, so that your slides will be ready to project on Nov. 1.

All the best,

Frank

Exhibit Schedule at **Redlands Community Hospital**

October 9 -	Take down / Take-in new exhibit
January 8 -	Take down / Take-in new exhibit

What's New (and Almost...)

Jess Wall

The camera of the millennium is here! It is Canon's D-2000! Canon tells us that it is a

"High performance digital camera. High resolution CCD image sensor captures 2 million pixels in dynamic 36-bit color. ... 12 consecutive full resolution frames at 3.5 FPS."

Eastman Kodak provides the digital technology. The photographic technology is by Canon. The camera is Canon's professional EOS-1N, a well-accepted and proven camera system. EOS accessories are compatible. This includes EF lenses and Advanced Flash systems (using a high-speed sync).

Deep pockets are required for this one. The rumored selling price is \$\$,000.00. Yep, 5 digits before the decimal point. Lots of digits!

	Mel Moncrieff	338-6559
	Cheryl Di Pretoro	792-8544

From the Editor...

Don Christopherson

I'm in that situation where you experience new appreciation for a job that someone has done by taking their place. Perhaps this may seem like a very small publication, but it can easily demand hours and hours of your time massaging content and design. Thanks, Dave, for your help in getting me started with this.

It seems to me that a club's newsletter should be as much a voice *of* the members as a voice *to* the members, so I encourage all of you to consider and communicate what you'd like to hear and say. Photography is a big world. Submissions are always welcome.

More and more of you are on-line these days, and so we're considering an e-mail version of the Photogram (don't worry, we'll still keep the paper one!). Let us know what you think about this, also. I'm available at dkchris@earthlink.net.

WANTED

◆ **Articles and pictures of Redlands Camera Club activities.**

Do you have articles or pictures of Redlands Camera Club activities? If so, please give them to Nancy Yowell. She will be collecting them for the Historian's Book. Please provide dates and names when you turn in your articles and pictures.

If you have an historical bent and would like to be the Redlands Camera Club Historian, please call Nancy at 793-6935.
